**Official Publication of the  
Mid-Coast Santa Gertrudis  
Breeders**

**Winter 2017/2018**

## A Message from the President

From hurricanes to snow, it was a challenging 2017 for a lot of our Mid Coast members. My heart goes out to all those who were affected by Harvey and the early frost and snow that a lot of us received. As most of you know the Mid Coast Board made the decision to move the Cattleman's Opportunity Sale date and location because of Harvey. A lot of work went into putting the sale together and we had to double up for our move to the Industry Sale Facility. Thank you, Matt Kubena, for pulling it off.

The Cattleman's Opportunity Sale was finally held on October 28, 2017. 34 lots grossed \$ 70,400.00 to average \$ 2,070 per head. The High selling lot was a bred heifer from Strait Ranches from Carrizo Springs, Texas that sold to Blackjack Oaks Ranch in Washington, Texas for \$ 5,000.00. Blackjack Oaks also donated Legacy Lot I, an open heifer that went to Strait Ranches for \$ 2,500.00. The Legacy Lot program is a fundraising effort of the Santa Gertrudis Foundation with the purpose of funding research and education projects that are beneficial to the Santa Gertrudis breed. Thank you to all of the consignors and buyers for coming to this year's sale.

A big thank you goes out to retiring board members, Joe Fauth, Debbie Townsend and John Kiker, for all of their years of service to Mid-Coast and congratulations to Jason Miller for joining the board. Officers for this year are; Allen Grainger – President, David Moran – Vice President and Allen Ginnard – Secretary/Treasurer.

The Houston Livestock Show and International Super Sale is fast approaching. Debbie Townsend is the Chairman of this year's sale and Richard Graham Hood with American Marketing Services is the sale manager. Another exceptional group of screened cattle will be offered. If you have not attended the International Super Sale in the past, you don't want to miss out this year, so make plans now to attend. We could use more volunteers to help at the Aisle Party and Super Sale. If you can help, please call Debbie Townsend.

Immediately following the sale, there will be a dinner and dance to benefit the Santa Gertrudis Foundation. Debbie Townsend will be putting this together and we invite everyone to join in the festivities. I've heard there are going to be door prizes and raffle items at the Foundation dinner, as well.

I hope everyone has a prosperous 2018 and hope to see you in Houston.

With Warmest Regards,

**Allen Grainger**

President, Mid Coast Santa Gertrudis Association  
979-337-4151

*From the Desk of ...*

*John Ford,*

*SGBI Executive Director*

The beef industry is changing and breed associations are no longer simply registration organizations. In today's business climate long-term beef breed association sustainability depends on 3 items:

- 1) storing, managing, and providing oversight to the breed's data and records
- 2) developing and maintaining a cutting-edge genetic evaluation that allows members and their cattle buying customers to make profitable breeding decisions, and
- 3) distributing the most current genetic and breed-specific information to membership and industry partners in an efficient and timely fashion.

Simply stated, beef breed associations store and process tremendous amounts of data used for large-scale genetic evaluation impacting every animal in the organization's database. Technology rules the day.

How does a small breed association like SGBI stay ahead in a beef industry that has become driven by genomics as well as other cutting-edge technology? The answer, RESEARCH. For beef breeds to remain viable in today's technology driven world, research is essential. Research is an investment which transforms future capabilities into new products, processes, and genetic tools. Our competitors recognize the value of research and have numerous projects on-going at universities and facilities across the country that focus on animal profitability as well as the development of tools and processes that support daily functions. Most all projects ultimately benefit the entire industry but we must be honest, the greatest benefit is to the organizations that first capture, utilize, and release new technology, processes, and information.

SGBI has been fortunate, our association was the first beef breed to adopt the single-step genetic model for incorporating DNA into the breed's genetic evaluation. We were at the right place at the right time and the breed has benefited from being the first to utilize the single-step system that is being recognized as the most effective method for including DNA information into EPDs. Moving forward we can't depend on luck to stay ahead of the pack, we must invest in research. The Santa Gertrudis Foundation was formed in 2008 to enhance the breed's research efforts. Research related to heterosis, heat tolerance, feed efficiency, cow efficiency and carcass quality are just a few of the area's needing our breed's attention. However, research takes money and that is why support of the Santa Gertrudis Foundation is so very important.

The Santa Gertrudis Foundation, is a not for profit 501c (3) research and education entity with the purpose of funding meaningful research for the Santa Gertrudis breed. Under the guidance and leadership of Allen Grainger and Paul Burrough, the Foundation initiated *Every Cow Has a Legacy* program earlier this year. The program allows SGBI members to support breed identified research projects by donating the proceeds of a cull cow(s) to the foundation. Help support the research activities needed to advance the breed today and in the future by donating the proceeds from a cull cow(s) to the Santa Gertrudis Foundation. In today's beef business climate, it is easier to stay ahead than to catch up. Let's make sure our breed stays out front. For more information on the Foundation or the "*Every Cow Has a Legacy*" program, contact me at (361) 592-9357.

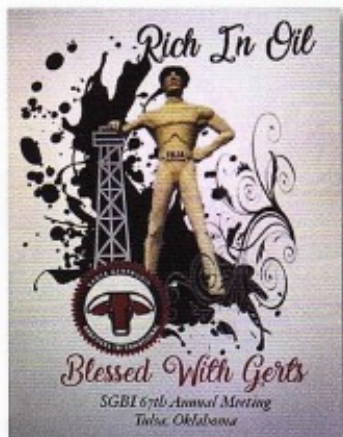

# SANTA GERTRUDIS BREEDERS INTERNATIONAL 67TH ANNUAL MEETING

River Spirit Casino Resort • Tulsa, Okla.

## MARCH 14-17, 2018

## From the Mid-Coast Annual Meeting and Cattleman's Opportunity Sale October 27 and 28, 2017

### MID-COAST CATTLEMAN'S OPPORTUNITY SALE

Oct. 28, 2017 | Industry, TX

**SALE AVERAGES:** 34 lots - \$2,070

The high-selling lot, a bred heifer, SR 102/5, was consigned by Strait Ranches, Carrizo Springs, Texas, and was sold to Blackjack Oaks Ranch, Washington, Texas, for \$5,000. The Legacy Lot No. 1, an open heifer, BJO Tiny Dancer, was consigned by Blackjack Oaks Ranch, Allen and Karen Ginnard, Washington, Texas, and was sold to Strait Ranches, Carrizo Springs, Texas, for \$2,500.

## *News from your Cattle Rattle Editor...*

*Hello Mid-Coast Santa Gertrudis Association Members and Friends!*

*I hope your 2018 is going well so far, and that this year far surpasses your greatest hopes and dreams for yourself and those you love.*

*You have my apologies for the fact that this Cattle Rattle is so late. This edition is usually published in November or December, and I had plans to publish it in those months. However, some of the content was delayed in getting to me (you know how the mail was after 'Harvey'), and then the holidays came. Now, while I love the holidays — and especially Christmas, I can tell you that getting ready for Christmas for the 45+ people in our family just isn't conducive to also publishing the Cattle Rattle. Also (and you probably guessed it!), I still didn't have all of the content! SO, I changed this edition to be called the 'Winter 2017 / 2018 Edition, and it will be followed shortly (probably March) by the 1Q 2018 Cattle Rattle. Bear with me — forgive me — just don't give up on me!*

*Several of you have asked about Billy Eubanks' daughter, Jessica, who had cancer last year and who we listed in the Cattle Rattle on a few occasions for thoughts and prayers. Billy is very pleased to let us know that Jessica's scans are all clear! Such great news!! The Eubanks / Burgin family would like to thank all the Mid-Coast family for your prayers and support through this journey!*

*And regarding our dear Carroll, the Myers family and Billy appreciate all the prayers, the calls, the text messages and the offers for help. In times like this, the true heroes step forward. Please continue your prayers as Carroll fights the battle. To all of the Myers family—including Billy, our hearts are with you!*

**Members**, if you missed the message at the bottom of page 5, please go back and pay special attention to this request for help. Debbie tirelessly coordinates the Mid-Coast Super Sale and associated activities at the HLSR each year, and she could really use our help. Please call Debbie at (979) 541-4989 if you can volunteer in any capacity!

*Blessings to all,*

*-Karen*

**Apr. 28th** - Norval and Anna Sells Mid-Coast SG Show; Navasota, TX

**June 23-30th** - National Junior Santa Gertrudis Show, Texarkana, AR

Hello Mid-Coast juniors

I know most of you know me, but for the ones who don't, my name is Heather Stenson and I will serve as your Junior President for 2017-2018. I took over as Junior president in October at the Mid-Coast annual meeting. I want to take this opportunity to give a special shout out to my friend and our past Junior President, Emaline Robinson. She was a wonderful Junior President and did an amazing job for us last year.

I know Hurricane Harvey was a challenge for many of our members. I hope this finds everyone effected by that terrible storm recovering and that all of you are having a great school year so far. I am sure you are like me -- crazy busy with homework, extra-curricular, 4-H, FFA and of course our beloved Gerts!

Congrats to all of you who showed at Heart of Texas and State Fair of Texas. I had a great time showing at State Fair and enjoyed catching up with everyone. I am so proud to be a part of this breed that I love and have so many people in my life that share that same love of our wonderful breed, Santa Gertrudis.

This has been a great year for Mid-Coast. We had a successful sale in October for our affiliate. I wanted to thank everyone who showed up and participated at the annual meeting and at the sale! Everyone's support means so much to me and I am so grateful everyone had the chance to come out. We earned \$565.00 in the junior bake sale which is going to help fund our junior programs. I want to say a special thank you to everyone who donated baked goods for the bake sale, and everyone who brought calves into the sale for the affiliate. Your support means a lot to the affiliate, and to me.

I am so excited about the upcoming Fort Worth Livestock Show and Rodeo, and the other spring major shows that follow. It's time to start thinking about hotel reservations, health papers, trimming hooves and clipping our cattle.

As a reminder, your SGBI membership dues will be checked at all the major shows. Please check to be sure your SGBI membership dues are paid as we must be a member in good standing in order to show our beautiful red cattle at all the Texas major shows.

We will be having a social at HLSR again this year. Your Junior Board is already busy making plans and we are looking for fresh ideas and volunteers to help make it the best junior social yet.

Also, our Mid-Coast annual junior meeting and show is scheduled for April. This is a great time to get our cattle out before Junior Nationals in June. We always have a great time with our Gert family. It is going to be another great show with great prizes.

Our affiliate has a website. You can pay your dues online if you wish. Speaking of dues; Mid-Coast dues are due January 1<sup>st</sup>. Here is the link to the website:

<https://midcoastsantagertrudis.com>

There is a special section for Juniors. If you have not already take a minute and check out the junior page on the website. There are a lot of great pictures posted there of all of us having fun and doing what we love.

This year, the Junior Nationals are going to be held June 23 - June 30 at Four States Fair Grounds in Texarkana, Arkansas, and they are planning some great things for us. This year's theme is "Gert Times across State Lines". If you have never been to Junior Nationals we hope you will join us this year. It is a great week spent with friends while participating in the many fun events, and of course showing our cattle. Some of my best friends and memories were made at Junior Nationals. There is a Facebook page for the show that will be updated soon with lots of good information. So, be sure to find the show's page and like it. The page is called 2018 National Junior Santa Gertrudis Show.

I hope everyone has a joyful holiday season with your family and friends. It is my hope that 2017 was a blessed year for you and your family. I don't know about you but I am looking forward to a fantastic 2018. I can't wait to see my Gert family next year in Fort Worth, have some friendly competition and show off our beautiful red cattle.

**Heather Stenson**  
Junior president

# HOME COOKING

## *Mid-Coast Junior Santa Gertrudis Association Fall Fundraiser*

A Bake Sale / Silent Auction was held in conjunction with the Mid-Coast Association Annual Meeting and Cattleman's Opportunity Sale on October 27-28 in Industry, Texas.

Juniors donated home-baked items for purchase to help support the Mid-Coast Junior Santa Gertrudis Association, and particularly the expenses associated with their junior show and the national show display.

Thank you so much to all who made and donated wonderful sweet treats and to those generous supporters who bid on these items and purchased them with generous donations. This auction raised **\$565.00**.
