#### A Message from the President

Wow! Words cannot begin to express the excitement in the breed today. I sit here, in front of my computer on March 3<sup>rd</sup>, having just witnessed the largest crowd I have ever seen at a Santa Gertrudis event, gathered to be a part of the International Super Sale at the Houston Livestock Show. It was unbelievable. Thirty-nine head/lots brought in a total of \$355,700.00 to average \$9,120.51. Thank you to Richard Hood and the American Marketing Service crew for pulling this off.

A little over four years ago, Debbie Townsend, John Ford and I talked about switching up the format for the Super Sale. I can honestly say that there was a lot of skepticism going into the first sale, four years ago, but what we have learned is that if you bring high quality cattle to a sale, "they will come".

Just prior to the sale, incoming SGBI President and Mid Coast Member, Jerome Urbanosky, dedicated this year's International Super Sale and Show to our long-time friend, Delbert Walker, who passed away recently. Delbert was truly the face of Santa Gertrudis and it was an honor to have his wife Joanne and their family there to accept the honor.

Following the sale, the Santa Gertrudis Foundation hosted an evening of dinner and dancing, raffles and other fun. The Foundation honored Donors and Buyers in our Legacy Lot Program. I'll bet we had around two hundred there. A lot of money was raised for research and education and we were able to meet Dr. Matt Garcia from Utah State University. Utah State runs several hundred head of Angus cows on their experiment farm, and they are breeding them all to Santa Gertrudis Bulls in a study that should show the benefits our breed has on English blood cattle.

This weekend at Houston would not have been possible if it were not for the efforts of one individual, and her committee. Debbie Townsend has gone above and beyond for all of us in the Santa Gertrudis breed. When you see her, give her a hug on the neck and a big thank you! From me, "Thank you, Debbie"!!!!

Moving on, the next Mid-Coast Event will be the Norval and Anna Sells Mid Coast Junior Show on April 28th, 2018 at the Grimes County Fair Grounds in Navasota, Texas. Look for details on the website at midcoastsantagertrudis.com. It will be a fun-packed weekend as our juniors get ready for the National Junior Santa Gertrudis Show in Texarkana, Texas in June.

Then, right around the corner will be the Cattleman's Opportunity Sale in Halletts-ville, Texas on September 15, 2018. Matt Kubena is chairing the sale again this year and he will be getting consignment information out very soon, so keep in touch. We are hopeful that we won't be visited by any hurricanes this year.

We invite everyone to participate in the goings on at Mid-Coast. Always feel free to give any of your board members a call to discuss ways that we can better serve you.

With Warmest Regards,

#### Allen Grainger

#### Taking Over the Reins— Jerome Urbanosky to Serve as SGBI President

By Jessie Topp-Becker, SG USA Managing Editor

Incoming SGBI President Jerome Urbanosky has loved Santa Gertrudis cattle for as long as he can remember. Although his parents weren't involved in the cattle business, Jerome's grandparents raised Polled Herefords and commercial cattle near Caldwell, Texas – the place where he fell in love with cattle.

Jerome caught his first glimpse of Santa Gertrudis cattle while traveling to his grand-parent's ranch as a young boy. "We would drive past Nine Bar Ranches in Cypress, Texas, and I always looked forward to seeing the Santa Gertrudis," he says. "I always knew if I ever had cattle I would have Santa Gertrudis – they were, and are, the ultimate."

In 1969, at the age of 15, Jerome won a \$200 certificate at the calf scramble during the Houston Livestock Show and Rodeo. With his scramble certificate and a \$150 loan from his dad, he purchased his first Santa Gertrudis heifer from Ganado Rojo, a ranch near Alief, Texas. The following year he purchased a second Santa Gertrudis heifer, this time from Mirasol Ranch in Uvalde, Texas. Alice and Miss Masterpiece 612 (along with their offspring) served as the foundation for the Urbanosky Ranch herd.

Jerome married his wife, Jane, in 1976. In 1985 the couple moved their family to Plantersville, Texas, where they still live and raise Santa Gertrudis. The couple has four children – two daughters, Patti and Cristi, and two sons, Jerome III "Rooster" and Blake – who were all active members of the National Junior Santa Gertrudis Association (NJSGA). Patti and Cristi both served as NJSGA queens, while Blake served as junior association president. Today, all four children remain SGBI members and either live on Urbanosky Ranch or five minutes away.

The next generation of the Urbanosky family has also started to get involved with the association; several of Jerome and Jane's grandchildren are NJSGA members. "We really are a family ranching operation dedicated to Santa Gertrudis," Jerome says.

Since first joining SGBI in 1970, Jerome has been actively involved. In addition to his participation in the Breed Standards and Long-Range Planning Committees, he has served as vice president of the Membership Committee since his election to the Board of Directors in 2014.

Being an active affiliate member has also been a priority over the years. Jerome is a member of the Mid-Coast Santa Gertrudis Association and the Polled Santa Gertrudis Association. Throughout his 30 years of membership with the Mid-Coast affiliate, he has served as president and vice president, as well as a Board member for several terms.

Jerome is very excited to take his leadership involvement with SGBI to the next level. "I am so thrilled and humbled to be selected as SGBI president," he says. "Anyone who knows me is aware of how much I love Santa Gertrudis. Anything I can do to serve the breed and association, I'm all in."

In addition to the ranch, Jerome has many years of experience in the agriculture industry. After graduating from Texas A&M University in 1975, he started a feed business with his two brothers; the business eventually grew to include several retail stores and a large commercial feed mill. He got out of the family business in 2000 and founded AmeriTech Staffing in Houston, Texas. He is confident that the knowledge and skills he has learned over the years will be an asset in his new role. "I have accomplished some success in the business world and want to use those skills to serve SGBI."

#### Continued from Page 2

As incoming president, Jerome has identified several goals for the association in the coming year. "My main goal is to increase the marketing and promotion of the world's greatest beef breed," he explains. Promoting Santa Gertrudis' advantages as "the breed of choice" to the beef industry is another priority. "Since SGBI's foundation sire 'Monkey' was born 98 years ago, our breed and genetic pool has become more stable," Jerome says. "Our cattle are more uniform and our data is industry leading. We need to become more vocal and proud of Santa Gertrudis today."

It is imperative that all SGBI members become advocates for Santa Gertrudis. "We must all do more to market and

promote the breed; SGBI can't do it alone," he says. "As an association we have strength and a voice when we are a unified group."

Congratulations, Jerome, from your own Mid-Coast Santa Gertrudis Association!

If there is anything to say about the Mid-Coast Super Sale at the Houston Livestock Show and Rodeo, it's simply that things are good and just getting better and better!

60 Buyers from 10 of our United States, as well as Mexico and the Honduras registered for their opportunity to purchase some of the finest stock and diverse breeding options available in the Santa Gertrudis breed of cattle today. The high-selling female was consigned by Red Doc Farm, Bosque, New Mexico, and sold jointly to Tinney Farms in Hanceville, Alabama, and Quail Valley Farm in Oneonta, Alabama for \$35,000.

The Mid-Coast Santa Gertrudis Association would like to thank all of the consignors and buyers for making this sale so successful. We extend a special thanks to our own Debbie Townsend and AMS' Rich Hood who do so much to make this sale everything it needs to be to promote our breed!

Howdy Mid-Coast!

As we are coming to the conclusion of Spring Break (for most of us) and the end of the spring show season, I would like to remind you all to please be submitting your photographs from 2017 nationals to now! I would love to win the scrapbook contest this year at Nationals but cannot do it without you!

Since my last email I sent out in September, I have only received photos from Mrs. Moran and one Mid-Coast member. I know we have more members than

just one! As a sophomore in college, I have a very busy schedule with courses and internships, so I am trying to get a head start on this scrapbook for nationals before I begin my summer internship in May. The sooner y'all submit your photos, the sooner I can start working on it and make it great for the whole affiliate!

Just to remind y'all of what photos I would like y'all to submit:

Any backdrop, show ring, candid, group, or Mid-Coast related photos from 2017 Junior Nationals in Lake Charles, Fall Major Shows, Spring Major Shows, 2018 National Show in Fort Worth, any jackpot shows you have attended.

Photos of juniors involved in things outside of Mid-Coast like sports, fine arts, FFA, 4-H, church, etc.

Any Grand Champion, Reserve Champion, or class winner photos from National or Major shows. Please include the junior's name, heifer/bull's name, class/division title, and name of show you attended.

Please be watching for a form to fill out that you will receive either by mail, email, or at the Mid-Coast Annual Show, on April 28th in Navasota, that will be highlighting each junior in our scrapbook. Once you have received this form, please be sure to fill all of it out and send it to either myself or Mrs. Moran as soon as possible so that I can be sure to have your junior included in the scrapbook. If I do not receive your form, I cannot include your junior's information in the scrapbook.

I will NOT be working on the Mid-Coast scrapbook during Junior Nationals this year, it will be completed and ready to go before I leave for Texarkana. I will be bringing many head of cattle, working as a National Director, and only having myself and my mom to work cattle and accomplish things during the week. If I do not receive your form or photos before Junior Nationals, I will not be able to include you in the scrapbook and I want to be able to include everyone!

Please be sure to start sending these things in. I look forward to seeing you all at the annual show as well as junior nationals!

Thanks, and Gig 'Em!

Shelby Ferguson
