PRESIDENT'S CORNER

Hello Mid-Coast Santa Gertrudis Association Members,

The summer heat sure has taken a toll on the pastures, grassland for the cattle and hay is in demand for sure. Here's to hoping we get some cooler temperatures soon, some fall rains and that the cattle can hang in there for a few more weeks in this heat and make it until cooler October temperatures!

We haven't had a Cattle Rattle since the National Junior Santa Gertrudis Show was held in Bryan, Texas. It was definitely a week to remember in so many ways! We congratulate all the Mid-Coast Juniors and their families on an outstanding representation of the largest affiliate present, excellence in all the contest areas as well as in the show ring! Mid-Coast kids and cattle are amazing! We would like to thank all those who helped make this show possible and assisted me and my family in this endeavor to host Junior Nationals as well as assist us after my accident that week. It was definitely about teamwork and we are so appreciative to all who helped make the "Texas Two Step" a Nationals to remember!

For the second year in a row we had exceptional turnout for our annual Mid-Coast meeting, which was held at Prasek's Hillje Smokehouse in El Campo, Texas on August 31st. This year we had over 80 members in attendance for this meeting that included adult and junior members. It is very exciting to see the Mid-Coast Association thriving and that members are coming from all over the state to be a part of our association! The Townsend, Blaha and Carleston families did another amazing job on the setup, decoration and meal for the meeting. Thank you to all who took time to attend this event!

This year, we had 5 open board positions to fill and they were filled by 2 new board members Michael Parham and Joe Fauth.

Nancy Wunderlich, Matt Kubena and David Moran were all re-elected to a second term. All 5 of these positions will be for a three-year term. After the meeting the board met to elect 2019-2020 officers: David Moran – President, Patti Urbanosky Ermis – Vice President, Allen Ginnard – Treasurer and Kyle Kincannon – Secretary. Thank you to all who are serving!

The Annual meeting included a social hour with a Junior Bake Sale silent auction followed by meal and program. Highlights from the program included: announcement that Townsend Cattle Company was the recipient of the Breeder of the Year award, Opportunity Sale highlights provided by sale chairman Matt Kubena and Houston Super Sale highlights provided by sale chairman Debbie Townsend. SGBI President Jerome Urbanosky provided an update on behalf of SGBI that included update on the Executive Director search and advised that the search has been narrowed to two finalists and an offer has been extended to one of them. In addition, he and Nancy Wunderlich, President-elect spoke about a new partnership that SGBI is entering with the Red Angus association to create a new breed, by crossing our elite breed characteristics with the Red Angus. Mr. Urbanosky also concluded by speaking about how this is an exciting time to be a part of Mid-Coast and SGBI with all the great things we are involved in planning for the future.

Youth Advisor Christy Moran provided an update on all the activities, shows and events that our juniors participated in this past year. It is truly amazing to see all that our juniors have done, and continue to do, to represent Mid-Coast at all the Major livestock shows and events this past year. Madison Moran, Junior President introduced all the juniors that were present at the meeting as well as the 2019-2020 Junior

Board. This will be a special year for me as I will have the privilege to not only serve again as the Mid-Coast Board President, but also to serve alongside my daughter, Madison, who is the Junior President!

As a reminder, the nomination forms are now available for the Houston Super Sale. If you have lots you are interested in having considered for the sale, please take the time to complete the form and send it in with the required payments. For questions about the Super Sale, please contact sale Chairman Debbie Townsend and/or AMS who will be managing the sale for us. Looking forward to a great 2019- 2020 year for the Mid-Coast Association!

Sincerely,
David

JUNIOR PRESIDENT'S CORNER

September 2019

By Madison Moran, Junior President

Hello, my name is Madison Moran and I am the newly elected 2019-2020 Mid-Coast Junior Santa Gertrudis Association President. Thank you to all who voted for me at the May meeting and allowed me to become Junior President. I truly look forward to this coming year!

I am very proud of the Mid-Coast Association and our participation at the 2019 National Junior Santa Gertrudis Show in Bryan, Texas. I know it was a hectic week, but you guys rocked it! There were so many new Juniors that attended the "Texas Two Step" and I hope everyone had a great experience! I would like to thank everyone who made this week possible. I know that this event took more than just that week to prepare for and I hope everyone knows that the show was amazing because of YOU!

Also, this summer, fifteen Mid-Coast Juniors attended GOALS (Gerts Ongoing Advanced Leadership Summit). GOALS was a week-long event held in Estes Park, Colorado and focused on leadership, team building, communication and life skills in hopes of making us all better people and leaders. We had the largest affiliation of Juniors attending from the NJSGA affiliates, so we were well represented! I think everyone who went would say that it was an amazing experience and that they learned new things while having fun in a different atmosphere of the Rocky Mountains. It was beautiful!

The annual Mid-Coast Santa Gertrudis Association Annual Meeting was held on August 31 in El Campo. It was so great to see so many Juniors and their families attend this annual event. I am proud of everyone who came forward with me to introduce themselves and allow us to share how great of a Junior association we are as we continue to receive the support from the parent association. Thank you also to all the Junior families who donated bake sale items and to all the generous supporters who purchased the items and continue to support the Junior association financially!

Finally, I would like to introduce our 2019-2020 officer team that was officially installed at the Mid-Coast Annual Meeting. Serving along with me as President include Cory Barrett - Vice President, Parker Mason - Secretary and Taylor Janssen - Reporter. Also, Gracie Garza is the Queen and Hannah Hubbard is the Princess and these young ladies represented us very well at Junior Nationals. I am excited to start this new year and look forward to seeing all of you at the Texas major shows this year. Please let me know if you need anything throughout this year as I would be happy to help you or find someone who can. Also, please continue to spread the good word about Santa Gertrudis cattle and our association. We are growing so much, and I am so excited about all the new members who want to be a part of the fun! Thank you for putting your trust in me as I am truly excited to serve in this role.

See you around!

“For the second year in a row, we had an exceptional turnout for our annual Mid-Coast meeting...” - President, David Moran

Mid-Coast Santa Gertrudis Association had its annual meeting on August 31, 2019 at Prasek's Smokehouse in Hilljcie, Tx.

There was a record number in attendance this year. The annual meeting began with a social for members and junior members. The juniors brought a variety of baked items for a silent auction fundraiser for the junior program that profited \$830. A Chicken Fried Steak meal and program followed the social hour. Townsend Cattle Company was honored with the Mid-Coast Breeder of the Year award. Matt Kubena, Mid-Coast opportunity Sale Chairman, provided the club with details and a recap of the most recent Opportunity Sale. Debbie Townsend provided an update on the Houston Super Sale during the Houston Livestock Show and Rodeo in March. The Townsend, Blaha, and Carleston families outdid themselves, once again, with a very well put together event for Mid-Coast.

Gerts Ongoing Advanced Leadership Summit

SANTA GERTRUDIS JUNIORS

Forty-six junior members of NJSJA visited Colorado's Estes Park to build leadership skills and elevate their goals

SANTA GERTRUDIS JUNIORS "ELEVATE THEIR GOALS" AS LEADERS IN BEAUTIFUL SUNNY COLORADO

by Christy Moran, GOALS 2019 Co-Chairman

Forty-six youth members of the National Junior Santa Gertrudis Association (NJSJA) converged on Estes Park, Colorado July 21-25, 2019 for a fulfilling experience at Gerts Ongoing Advanced Leadership Summit. "Elevate Your GOALS – Reaching the Peak of Leadership Excellence" was the theme for the mountain-top experiences that led the participants on new adventures, allowed them to gain valuable leadership skills and interact with many wonderful Santa Gertrudis friends for a memory-making event!

Young leaders representing 8 states (Texas, Mississippi, Florida, Louisiana, Illinois, Missouri, Arkansas and New Mexico) participated in this year's event. The event was hosted at the YMCA of the Rockies in beautiful Estes Park, Colorado. Participants stayed in Wind River Lodge, had meals at the Aspen Dining Room and engaged in many activities offered at the YMCA for week-long fun all with the beautiful Colorado mountains in the background. The cool weather was enjoyed by all! GOALS facilitator and featured speaker Kelly Barnes led multiple educational and inspirational sessions. Barnes shared an energy-packed learning experience complete with interactive workshops to engage the youth to learn more about themselves and those around them and how to be better leaders and citizens in our breed, their youth organizations and the world.

Outside the classroom, the juniors experienced active bonding and leadership skills through teambuilding exercises conducted by the YMCA in the woods of Estes Park. Another team event enjoyed by all was the GOALS

2019 Beef Cook-off where team members were given a bag of groceries, a cut of beef and a pantry of items to create their own beef dish in a "Chopped-like" challenge. There was a lot of teamwork and fun had by all and creations were judged with the purple team's Wasabi Beef Steak chosen to win the top prize. Participants also participated in a YMCA Scavenger Hunt and Night Walk to learn more about YMCA surroundings and many enjoyed seeing wildlife like mule deer, elk, turkeys and chipmunks during our stay. The NJSJA Board met one evening to plan and discuss events for the coming year.

Tuesday afternoon provided an opportunity to visit Jackson Stables and participate in a 2 hour horseback ride through the Rocky Mountains. This ride was a favorite among many! The trail through the mountains was breathtaking and some even experienced an afternoon rain shower followed by rays of sunshine. It was a cool afternoon and riding through these beautiful lands to view nature, wildlife and interact with friends and animals was a neat experience.

During this time, some also hiked up the mountain to Bible Point to see a vast view of Estes Park and many enjoyed photo opportunities with postcard sceneries in the backgrounds. These surroundings are definitely not a climate and scenery we are used to everyday! Following the final leadership session and reflection time with Barnes on Tuesday evening, the group enjoyed a gathering around a campfire, complete with s'mores

and a time to talk about what this experience has provided for them which allowed the juniors to really open up about life lessons and being good friends and leaders.

The final day of GOALS 2019 took us to the Denver area and Sedalia, Colorado to the notable Cherokee Santa Gertrudis Ranch and Castle, home of Tweet Kimble, pioneer of the Rocky Mountain Santa Gertrudis Association. It was intriguing to listen to Juanito Miranda, son of Ranch Manager Rafael Miranda who has been with the ranch since Tweet began her Santa Gertrudis herd. Juanito showed us some of the Santa Gertrudis bulls in the feed lot at Cherokee Ranch and discussed the history and workings of this ranch which now runs about 130 head of Santa Gertrudis cattle. Alicia Sanchez from Red Doc Farm in New Mexico also shared her stories of growing up around Tweet and visiting the ranch and the Castle as a junior and breeder family member in the Rocky Mountain Santa Gertrudis Association. We then enjoyed a tour of the Castle, greeted by Mr. James Holmes, Executive Director of the Castle Foundation, and knowledgeable docents and even the butler and caterer for Ms. Kimble. The Castle is rich in history, beautiful architec-

ture, rare and collectible furniture and art and there is even a room dedicated to the ranch and Tweet's involvement with Santa Gertrudis breed displaying her ranching attire, photos of her favorite cattle, ribbons, banners, trophies and awards from her days with participating in the National Western Livestock Show and SGBI events. Visiting this place was truly a special part of the GOALS 2019 experience!

The final leadership session for the GOALS 2019 conference was a visit by former Junior SGBI member Shelby Barrow Javernick, current Student Recruitment and Outreach Coordinator for the University of Colorado. Javernick spent time with the Juniors to engage them in a "U-Zoo Personality Test" and interactive exercise to plan an event with folks most like themselves. She also spent time talking about "Preparing for College, Now". To round out the GOALS, the Juniors enjoyed a fun evening social and dance. "The comradery and bonding these young people develop over the course of a GOALS experience is amazing," said GOALS co-chair Christy Moran. "Testimonies shared, passionate emotion and gratitude from the oldest junior veteran to the newest GOALS rookie is something that is very present by week's

end and so heart-warming to see! These kids truly do love this breed, this association and the opportunities that are afforded them and I know they learn wonderful leadership qualities through this program!" To close GOALS 2019, Moran and Co-Chair Casey Jones held a Reflection and Giving Back with Appreciation Session to help the juniors continue to understand the importance of being thankful and appreciative. Moran shared a very emotional tribute in which she announced that GOALS 2019 is dedicated in Memory of Dr. Burton McDaniel and in Honor of Mrs. Judy McDaniel, Pioneers in Leadership for Gerts Ongoing Advance Leadership Summit. Both of these people have truly touched this program and will continue to be a part of this legacy of leadership excellence.

The GOALS 2019 youth and chaperones involved in this trip truly appreciate the support from financial supporters, memorials given in honor of Dr. McDaniel as well as parents for this unique leadership opportunity. Kudos to Mrs. Casey Jones who was instrumental in the planning of GOALS 2019 and all that supported in any way to make another successful GOALS possible!
