Junior Nationals 2020

PRESIDENT'S CORNER

Hello Mid-Coast Santa Gertrudis Association Members,

Even with all the complications thrown at us by COVID-19, it has been a very busy and successful 2020! I do not believe any of us would have ever imagined a time where stock shows, cattle sales, professional sports, restaurants, etc. were all closed by an epidemic like this. Even with these unforeseen challenges, we accomplished a lot this year. Let's take a few minutes to look at what we have achieved not just this year, but over the last several years.

The International Super Sale, hosted by Mid-Coast Association, has developed into the elite sale of our breed that we had originally envisioned it becoming. Special thanks to our Sale Chairperson Debbie Townsend, who with the partnership of AMS, has really taken this sale to the next level. If you look at the combined sales for the last 3 years, we have grossed over 1 million dollars in sales with this year grossing over \$400K. The cattle being sold in this sale are truly top trait leaders in EPDs, phenotype, genotype and the elite donor cows of our breed. If you have never attended this sale, please mark your calendars and plan to attend in 2021 as you truly will not be disappointed.

The Mid-Coast Cattleman's Opportunity Sale was held the first weekend in May in Industry, Texas, after COVID-19 forced us to move from Washington County Fairgrounds. Chairman Matt Kubena, with the help of dedicated board members, and the consigners, really worked hard to get this sale back on track and make it a success. Even with all the curve-balls thrown at us by COVID-19, we were able to have a successful sale and had an excellent turnout of buyers both in person and online for this sale. Start making plans now for our 2021 sale; whether you are interested in consigning or buying, this sale has something for everyone. It is never too early to start making plans to get your cattle conditioned for this sale.

When it comes to our Junior program, there is only one word that can explain what we have achieved with this program: "WOW!" Who would have ever imagined that we would have the membership that we do in our junior program, and that they would be able to achieve things like having over 180 head exhibited at our Mid-Coast Anna Norval Junior Show this past May, in the midst of the COVID-19 epidemic? Not only, did we have over 180 head, but for the first time, this show 100% funded itself, while we still awarded great prizes, premiums and \$3,500 in scholarships to our deserving Seniors. Our Juniors recently competed at Junior Nationals where they saw success in the show ring, all the leadership contests, and Brain Bowl. Mid-Coast took first place in the Junior and Intermediate Divisions of Brain bowl, finished 2nd in a very difficult Senior Division, and had 6 competing teams, allowing 24 junior members to participate - more than any other affiliate. Watch for more information on National results in the August edition of the SGBI Magazine. We had 85 Mid-Coast Junior members compete NJSGS. Wow! Again, a very special thanks to our Junior Youth Advisor Christy Moran, who has really taken our Junior program and Junior show to the next level!

Over the last three years, it has been a real pleasure to serve as your Mid-Coast President and watch the teamwork of this board to take both the Adult and Junior programs to the next level. Special thanks to retiring board members Allen Ginnard and Jason Miller, who have both served 6 years on the Mid-Coast Board. Also, to Karen Ginnard, who while not on the board, assisted Allen with the Treasury role, and managed the Cattle Rattle until this past year for us. Thank you to Jenny Kincannon, who has taken over the Cattle Rattle and continues to carry this legacy forward for our association. It has truly been an honor and privilege to be a part of this team, that when asked, donated their time, money, and passion to help with every task and challenge that was presented to them.

Reminder that this year's annual meeting will take place on August 15th, at 5 pm in Brenham, Texas. This year's guest speakers will include: SGBI Executive Director Webb Fields and Brad Wright. Brad will be speaking on EPD's and how they can work for your program, regardless of size. There is still time to RSVP, and you don't want to miss out on this opportunity to fellowship with fellow Mid-Coast Members and hear both these gentlemen speak.

If you have any questions, please do not hesitate to reach out to me directly or contact any of the Board members. Thank you for your membership and involvement.

Sincerely,

David

JUNIOR PRESIDENT'S CORNER

Howdy Mid-Coast Members,

2020 has been a year like no other and there is no doubt about that! When starting my Mid-Coast Junior Association Presidency, I had no idea that our show year would be cut short. I am sad that we were not able to compete at the Houston or Austin Junior Livestock Shows this spring; however, I am very thankful for the earlier shows we were able to compete in, and that we were able to meet back together for our Mid-Coast Junior Show and the National Junior Santa Gertrudis events to round out the show year. As my year as Mid-Coast President comes to a close, I am thankful for the opportunity to serve, learn and have fun. Even though it was an unpredictable year, we can be thankful that we got to experience many accomplishments together!

The Norval and Anna Sells Mid-Coast Junior Show was held in May. We had over 180 head of cattle exhibited at this show. We held our Junior Meeting with Officer Elections and Scholarship Presentation. We had Showmanship contests followed by the Purebred Santa Gertrudis Show, Star 5 Show, and Bull Show. It was a very successful weekend and we enjoyed seeing Juniors participate from all over the state of Texas, and even from Louisiana. Many thanks to my parents, David and Christy Moran, for coordinating the event. It was a challenge to plan the show with the uncertainty of the times, but it was heart-warming to bring cattle and kids back together under one barn after being isolated from everyone during the COVID shutdowns. That was a huge blessing for sure!

The 2020 National Junior Santa Gertrudis Show "Gerts a Plenty in 2020 ~ #Coronacation" was held in June in Texarkana, Arkansas. At Nationals, the Mid-Coast affiliate celebrated the 100th Birthday of Monkey, the Santa Gertrudis Bull that started it all at King Ranch in Kingsville, Texas. Mid-Coast Juniors were "Monkey'n Around in Texarkana, Arkansas" and wore matching T-Shirts to honor Monkey. Mid-Coast was very well-represented in all contests and events, with the participation of 85 Mid-Coast Junior Members competing. I would like to personally congratulate each and every one of you who participated, and succeeded, in the show ring and leadership contests. We had several Champions inside and outside of the show ring. The time and effort put into your animals for competition and the preparations for contests is noticed and all are to be complimented for their hard work and participation! Congratulations to everyone on a great show!

We will be having our Mid-Coast Annual Association Meeting on August 15th in Brenham. We look forward to seeing all members and welcome all Juniors and their families to attend. The Juniors will be having a Bake Sale again this year to raise money for association events in the coming year, so if you come to the meeting, please bring an item to share for the silent auction. The newly elected Junior Board will also be installed at this meeting and officially begin their service year. It will be a great evening spent together with our Gert families!

Thank you for allowing me to serve this year as Junior President. It was neat to be able to serve along with my Dad who also served as President of the Mid-Coast Association. We have done a lot of fun things this year, despite the differences. I am thankful for the experiences of leadership, learning, life lessons, and fun. I am also thankful for the support of the Association Board and all the adults who help make our Junior events possible. And, I am thankful for each and every Junior member who makes Mid-Coast strong! I am blessed to call you all friends, and look forward to seeing everyone at the Mid-Coast Annual Meeting...or down the show road!

Wishing you all a good rest of the summer and enjoy all life offers. Stay safe and hope to see you soon!

Sincerely,

Madison Moran

2019-2020 Mid-Coast Junior President

2020 Mid-Coast Cattleman's Opportunity Sale

Despite COVID-19, and the closure of many sale facilities, Mid-Coast was able to hold the 2020 Cattleman's Opportunity Sale on May 9, 2020. The event was originally scheduled to happen in Brenham, but COVID-19 complications forced the sale to move to Industry. Sale Chairman, Matt Kubena coordinated an exceptional sale of cattle including open and bred heifers, pairs, 3-N-1s, gains tested, breeding-age bulls, and STAR 5 females.

Cattle moved in Friday night and were available for viewing Saturday morning over coffee and donuts. Hoover Case kicked off bidding at noon on Saturday.

The Cattleman's Opportunity Sale was well attended and ran smoothly despite a few last minute, virus-related changes. This event marked the first time many attendees had been out since the shut-down of many counties in early March. Mid-Coast President David Moran, SGBI President Nancy Wunderlich, Junior Advisor Christy Moran, and SGBI Executive Director Webb Fields gave remarks at the sale.

A total of forty-nine lots sold for a sale average of \$2,161. Bulls averaged at \$2,775, pairs at \$2,524, bred females at \$2,071, and open heifers at \$2,051. The volume buyer was Fugere Farms in Hankeven, Tx.

The Mid-Coast Board would like to thank all of the cosigners, buyers, volunteers, and Chairman Matt Kubena for their part in making the 2020 Cattleman's Opportunity Sale a success!

NORVAL AND ANNA SELLS MID-COAST SANTA GERTRUDIS JR. SHOW

...and the show is on!

After much anticipation, Mid-Coast President and Youth Activities Coordinator, David and Christy Moran were able to work out a plan with the help of Mid-Coast Board Member, Joe Fauth, to host the annual Norval and Anna Sells Junior Show at the Grimes County Fairgrounds the weekend of May 16th - 17th in Navasota, Texas. Without much time to prepare, the show committee coordinated to put on this event so the Juniors could enjoy some fellowship and get prepared for Junior Nationals. The Annual Junior Meeting was held with Officer and Queen and Princess Elections, as well as Junior Scholarship Presentations. Brain Bowl contestants for Nationals were selected after Mid-Coast Juniors took the Brain Bowl Test.

Congratulations to all who participated in this cattle show of 181 entries, which marked the first opportunity to do since the historic COVID-19 shut-down mid-March as most of the juniors were checking into the Houston Junior Show. The Mid-Coast Junior Board would like to thank Courtney Mason for donating her Old-Timers Showmanship winnings and the Mikolajchak families for donating the fresh produce and canned silent auction items. Showmanship, Pure-bred, Star 5, and Bull shows were all judged by Mr. Quest Newberry.

\$500
William Noland

\$1,000
Sierra Sebesta

\$1,000
Mikaela Terry

Thank you to the Mid-Coast Scholarship Committee: Joe Kirkland, Cindy Blaha, and Allen Ginnard for coordinating this program and reviewing applications. Special thanks to all who have contributed to the scholarship fund, and particularly, this year, to Cheryl Spencer and Joe Kirkland, who's heifer sold in the Cattleman's Opportunity Sale, with all proceeds going to the Scholarship Fund. Without the committee and contributors, Mid-Coast would not be able to invest in the futures of these Juniors.

Champion

2020 NATIONAL JUNIOR SANTA GERTRUDIS SHOW

Coronacation in Texarkana, Arkansas

Although the National Junior Santa Gertrudis Show looked a little different this year, the show went on to provide the Mid-Coast Junior members with a memorable experience. With a few adjustments, the show committee was able to host a successful Junior Nationals. All leadership contests were available for contestants. Livestock Judging and Cattleman's Contest moved to an online format to keep juniors from congregating, and the Public Speaking contests were unable to have audiences, but the kids were grateful to be able to participate in these contests. Brain Bowl moved to the show arena to allow spectators to spread out in the stands.

"Gerts a Plenty in 2020" was originally scheduled to be held in West Monroe, Louisiana June 13 - 10. With COVID-19 infiltrating the country, adjustments were made, and the show moved to Texarkana, Arkansas June 21 - 25.

With a little patience and adaptability, the Mid-Coast Juniors were successful in exhibiting their cattle and competing in leadership contests. The Mid-Coast Santa Gertrudis Junior affiliate was the largest represented group at the 2020 NJSGS with 85 members participating and representing well in all events!

The Mid-Coast Board, and Youth Activities Director, Christy Moran would like to congratulate all of the Juniors for a successful and memorable 2020 Junior Nationals.

*NOTE - these results have been compiled from report sent by NUSGS records of Mid-Coast Participants AND Individual information sent in as requested

Santa Gertrudis Breeders International PRESIDENT

Nancy Wunderlich

When the going gets tough, the tough get going. This is a phrase that describes our entire membership since March. Committees have been working diligently to keep us on the Data Driven Profit Proven course we all keep striving for. We as Santa Gertrudis breeders have to continue reporting those weaning weights, yearling weights and that scan data to keep our Pure Breds in the cattle industry spotlight.. This “information-backed” genetics has led to the American Red collaboration with the Red Angus Association along with supporting the value of the Star 5 program. Webb Fields SGBI Executive Director is doing Facebook Live events covering SGBI’s new EPDs. You will find them on the Santa Gertrudis Breeders International Facebook page.

A couple months ago our NJSGS was in jeopardy of being canceled due to Covid -19. We had a show the week of June 22-26 due to the determination of the joint collaboration of the former and present Youth Activities Committees. 246 Junior Members and Families traveled to Texarkana with 629 head of cattle. 21 Donated heifers were awarded, 8 leadership contests booked 738 competitors and the Youth Foundation granted \$31,000 in scholarships to 13 Santa Gertrudis Junior Applicants. Please check the Junior page.

Other events are on the schedule. Many sales have happened in various formats and more are scheduled for the future. I personally invite you to the Gerts on the Gulf (A Covid-19 Re-Boot) October 1, 2020 in Alabama. This is a condensed version of the Annual Meeting that was canceled in April. This is a great opportunity to attend committee meetings and contribute to the future of the breed. Look for details on the SGBI website or in the July & August USA.

In closing, I encourage you to call fellow member you have not talked to recently due to all the craziness going on around us and be Safe

Later,
Nancy Wunderlich
SGBI President
