February 2017

A Message from the President

Well, there is a lot going on in the Santa Gertrudis world and the Mid-Coast Santa Gertrudis Association. The board has been hard at work planning future activities for our members. I hope you will become engaged in our association because this is your association.

First up, the "International Super Sale" hosted by Mid-Coast, on March 10th at 6:00pm. The all video sale will be on the grounds at the Houston Livestock Show and Rodeo, upstairs close to the International Room. Debbie Townsend, Patti Urbanosky-Ermis, and Richard Graham Hood of American Marketing Service have worked extremely hard to make this the highlight sale of the year for the Santa Gertrudis breed. Mid-Coast will have a large booth space in the show barn for a gathering spot during the show and sale. Please come see the exceptional offering of elite genetics and enjoy some time with your fellow breeders. You might as well stick around Houston for the Open Santa Gertrudis show which starts at 2:00pm on Saturday, March 11th in the NRG Center show arena.

Next on the list is the Norval and Anna Sells Mid-Coast Junior Show at the Wharton County Fairgrounds on Saturday, May 6, 2017. The young breeders will have a meeting to elect their junior officers for the ensuing year and will be laying down plans to represent the Mid-Coast Association at Junior Nationals. This is a great place for breeders and juniors to get acquainted, so I urge you to come out and see what a great job these young people do representing you.

Our annual Mid-Coast "Cattleman's Opportunity Sale" and Annual meeting has found a new home. The board decided to head to a more centralized location and selected the William and Alton Allen Exposition Center in Hallettsville, Texas. Over the last few years, it has been hard to secure the sale facility at the fairgrounds in Brenham because their fair has stretched out to encompass two weekends and the fair board has decided to extend the unavailability period for another week either side of the fair. Unfortunately, all other weekends either side of that are already booked, hence our move to Hallettsville. If you have attended the Bluebonnet sale, you know this is a great facility.

Matt Kubena is heading up the sale and will be getting consignment information out very soon. We are going to make this a screened sale, so get your best ready to bring to Hallettsville.

We are also laying down plans for a performance tested bull sale. Several ideas are being discussed and you should hear something soon about our plan of action. If you aren't aware of it, the Santa Gertrudis Bull market is getting hot. We are becoming a true breed of choice for those seeking eared cattle.

Last, but not least, John Kiker and Delbert Walker are working on a field day. Details will follow, so stay tuned.

That's about all for now. I look forward to seeing all of you in Houston!

From the Desk of ...

John Ford,

SGBI Executive Director

I have taken a short break from packing the SGBI display and breed information for the National Cattlemen's Beef Association Trade Show and Convention to write this article. So many positive things have happened during the last 90 days and I am eager to share recent successes with Midcoast members.

In late November I stopped at the Brazos Livestock Commission Co. in Bryan, Texas for the barn's 19th Annual Commercial Replacement Female Sale. The second-high selling pen of pairs was a set of STAR 5s (SG x Hereford) with $\frac{3}{4}$ Hereford calves at side. They brought \$2750/pair. The high selling pen was a group of Tiger-stripe females with much larger calves at side. They brought \$2,800/pair. For the most part, the majority of the cattle were black hided pairs and they sold anywhere from \$250 to \$850 lower than the STAR 5s. One month later, a pen of purebred Santa Gertrudis Females (30 days exposed) were the high selling pen at the Arizona National Commercial Replacement Female Sale. The heifers outsold the Supreme Champion Pen by \$400/head. It is important to note the Champion Pen was a set of black hided cattle. The demand for red hided females in the desert Southwest is surpassing the supply.

In January, during the SGBI Carcass Quality Roundtable, held on the grounds of the Ft. Worth Stock Show, Tanner Pickett, JBS Five Rivers – Hartley Feeders, shared harvest data on 3,500 head of Santa Gertrudis and Santa Gertrudis influenced animals. The information Tanner provided is turning industry heads. Santa Gertrudis and Santa Gertrudis influenced cattle beat the plant average 8%-16% for Prime/Choice carcasses. For those not familiar with JBS Five Rivers, they are the largest global feeder. Not only is the data sound and creditable it was collected and shared by the world's largest cattle feeder - now that is exciting!

Heifer Carcass Data:		Steer Carcass Data:		2016 total plant average:	
Dressing %	64.7%	Dressing %	64.3%	Dressing %	63.7%
% Prime/Choice	78.7%	% Prime/Choice	70.9%	%Prime/Choice	62.3%
% Sub Select	00.6%	% Sub Select	00.6%	% Sub Select	3.0%
YG 1s & 2s	51.2%	YG 1s & 2s	47.7%	YG 1s & 2s	52.3%
YG 4s & 5s	7.1%	YG 4s & 5s	6.5%	YG 4s & 5s	7.8%

I could go on and on, but time is limited. I need to head to Nashville for NCBA in time to see Dr. Kent Anderson's presentation on the increased availability of DNA verified EPDs and the breeds that have adopted and utilize this technology. Yes, Santa Gertrudis is one of the limited number of breeds that utilizes this cutting-edge genetic technology and Dr. Anderson will be sharing that information with NCBA Cattleman College attendees. It is an exciting time to be a Santa Gertrudis Breeders, let's keep our foot on the gas!

IN MEMORIAM

Lifetime resident of Matagorda County, Jane Vaughan Wendt, 82, died December 17, 2016 at her home on Wendt Ranch in Bay City, Texas. She was surrounded by family.

Jane was born on December 13, 1934. Growing up she and her two sisters loved to play with their pets and take day trips to Galveston. A head cheerleader, homecoming queen, and on the year book team; Jane graduated in 1952 from Bay City High School with dear friends, many of whom she remained close to throughout her life. She married Dan Wendt on March 4, 1953. Together they spent 63 years building a world class Santa Gertrudis herd. They pioneered performance records helping to establish breed standards still revered today. Together, Jane and Dan grew their brand to be recognized locally and nationally, as well as in countries across the world, including South Africa, Brazil, Australia, Paraguay, Russia, and Morocco. After making an international sale, both Dan and Jane would individually visit each ranch to see how the cattle were doing, as well as to gain and share appreciation for other ranching practices around the globe.

Jane also fostered youth leadership programs and served on the Mid-Coast Santa Gertrudis Board of Directors and the Santa Gertrudis Breeders International (SGBI) Board of Directors. In 2007, Jane was selected as the first female President of SGBI, and provided leadership to the association until 2009. Jane and Dan were inducted into the Santa Gertrudis Hall of Fame in 2012 in recognition of their leadership and many contributions to the Santa Gertrudis breed.

Jane loved travel and co-owned a travel agency, Travel World, with her sister, Margaret. She was well known for her quick wit, kind spirit, hospitality, and perseverance. Many called her a 'class act' of a lady who was always positive despite whatever circumstances.

She is survived by her husband, Dan Wendt; their two daughters, Kathy Wendt Riggers (husband, Tim Riggers) and Nancy Jane Wendt Kubecka (husband, Gene Kubecka); grandchildren, Daniel Kubecka (wife, Lauren Kubecka) and Jenna Jane Sneed (husband, Jonathan Sneed); great grandchildren, Kinsley and Laney Jane Kubecka; and sister Margaret Ottis.
