A Message from the President

As we have quickly moved into the hot days of summer, most of us have received an over-abundance of rain. This, of course, is something that we are not used to. Although we are thankful for the lush green pastures that our cattle are enjoying and it has been a blessing for most, I know that some have been devastated with the destruction the flooding has caused. Our hearts go out to those of you who might have been negatively impacted.

Congratulations to the Mid-Coast Juniors that participated in the NJSGHS in Guthrie, OK. Our Mid-Coast juniors, again, did an outstanding job and represented our affiliate well.

On behalf of the Mid-Coast Board of Directors, I want to extend a personal invitation to all our members and guests to attend the Mid-Coast Annual Meeting on Friday, August 14 at 6:30 p.m. This will be preceded with a social beginning at 6:00 p.m. The cost for dinner during the meeting will be \$10. Our guest speaker for the evening will be State Representative Cecil Bell, Jr. from District 3. He represents Waller County and part of Montgomery County (see biography - page 5). I also want to encourage all of you to come back to the Cattleman's Opportunity Sale on Saturday, August 15th at 11:00 a.m. Both of these events will be held at the Washington County Fairgrounds, in Brenham. Our Santa Gertrudis cattle are in demand and the Sale Committee has worked very hard to gather a great offering of purebred and Star Five cattle. If you are planning to stay overnight, we have a block of rooms at the Best Western in Brenham. When making reservations, tell them you are here for the Mid-Coast Santa Gertrudis Opportunity Sale.

If you haven't received your annual meeting notification and election ballots, please let me know. We have one position up for re-election held by Allen Grainger, who will seek re-election. Three positions will term out in 2015. I have received requests from three new candidates to be placed on the ballot, in addition to the one who is currently serving. The candidates to be placed on the ballot are Billy Eubanks, Allen Grainger, Patti Urbanosky-Stem, and Judy Wallace.

We want your input – The Board has been brainstorming about a Mid-Coast Field Day. We want this event to be as much fun as it is informative. Several ideas have been suggested and we want to share those with you for your consideration and/or recommendations.

- Sale Preparation – What does it take to get cattle prepared for a sale?
- Bull/Female Selection – As a breeder what should you be looking for? How do you know that the animal's "numbers" are a good fit for your operation?
- Breed Standard Review – The days of traveling field representatives are gone and our cattle are no longer classified. As a breeder, are we aware of Santa Gertrudis breed standards?

This will be a topic for discussion at our meeting in August, please be prepared to share your thoughts or contact me prior to the meeting. Your involvement is important to keep our organization active.

I'm looking forward to seeing all of you in Brenham!

SGBI Executive Director

I have just returned from the Florida Cattleman Convention in Orlando. Micky Mouse and sandy beaches come to mind when thinking of the Sunshine State. However, it is home to some of the largest cow-calf operations in the nation and Bos Indicus influenced cattle dominate the marketplace. Environmental conditions dictate the use of American Breeds in the hot and humid Florida climate and our breed is perfectly suited for profitable production in the Sunshine State. However, we have a very limited presence, especially in central and south Florida; Brangus, Beefmaster, and Braford influenced cattle populate the state.

Why?

Throughout the week I quizzed cattlemen as to the reason. Their answer, one I have heard time and time again, lack of the type and kind being sought in the numbers needed. When an area loses seedstock breeders and operations, markets dissipate and eventually disappear. Research indicates that commercial cattlemen purchase the majority of bulls needed to cover their cowherds within a 150 mile radius of their operation, no seedstock breeders in an area results in limited market share. However, as I visited with central and south Florida cattlemen it was apparent they would welcome a resurgence of our breed. Florida cowmen recognize the versatility and flexibility that Santa Gertrudis bulls provide an operation. They also appreciate the productivity of Santa Gertrudis influenced females. This is not the only area of the nation that would welcome a reappearance of our genetic package. Inquiries from the desert Southwest have been on the increase as well.

Demand for our product in Texas, especially in the Mid-Coast Affiliate area, has been pleasing. Bull sales have been exceptional and female transactions near phenomenal. It is an exciting time for Mid-Coast Santa Gertrudis Affiliate members, and indicators point toward continued growth. But does growth have to be limited to a particular area? Can Mid-Coast Members provide commercial cattlemen, regardless of location, with the type, kind and numbers being sought until herds can be re-established in regions where our presence is limited? Doing so would be challenging, but the returns would be rewarding for the breed.

There is not an easy approach to building market share in other areas of the nation, but it is an opportunity that can't be overlooked. Can we meet the challenge? I think so, by working as a team, developing innovative marketing approaches, and understanding the wants and needs of commercial cattlemen. This approach will open numerous marketing avenues across the nation.

(Donuts, Coffee and Juice @ 8:00 AM)

Our Mid-Coast Annual Meeting Keynote Speaker...

Cecil Bell, Jr. will be our guest speaker at the 2016 Mid-Coast Annual Meeting.

A sixth generation Texan whose family has been in the State of Texas since 1852, Cecil Bell, Jr. is the oldest of three siblings. Cecil was born in Rosenberg but raised all across Texas.

A 2009 *Ernst & Young Entrepreneur of the Year Finalist for the Southwest Region*, Cecil serves as the CEO of six active enterprises, providing clients with a variety of services and creating jobs for Texans. Driven by his strong entrepreneurial nature, Cecil has been self-employed at B-5 Construction Co., Inc. since 1983, constructing water and wastewater treatment facilities. Tejas Underground Utilities, incorporated in 1997, provides installation of underground utilities.

Cecil's support for the future of our community and willingness to volunteer his personal time and resources can be seen in his community service. Cecil remains Chairman of the Montgomery County Pct. 5 TCLEOSE Training Facility and has served as the Chairman of the Greater Magnolia Economic Development Partnership and President of the Magnolia ISD School Board of Trustees. He is a charter member of the local rotary who also supports his local FFA, youth clubs, area churches and community organizations.

As a Life Member of the NRA and the TSRA, Cecil believes in our 2nd Amendment right to have and bear arms.

Cecil's cow/calf ranching operations, located in Leon and Freestone Counties, demonstrate his personal commitment to his Texas heritage and to agriculture in Texas.

Cecil met his high school sweetheart and now-wife, Jo Ann, at the 1979 National Meeting of the Beta Club Honor Society. The Bells moved to Magnolia in 1993. He and Jo Ann have two boys. Cecil "Trey" Bell, III is a 2010 graduate of Magnolia West High School and Charlie is a freshman at Tarleton State University. The Bell family attends the Magnolia Church of Christ, where Cecil served many years as a Deacon.

2014–2015 Mid-Coast Members Running for the Board...

Billy Eubanks, Herd #101033, is also associated with Myers Cattle and Land, Herd #6491. Billy actively supports the Santa Gertrudis breed as a member of SGBI, as a Mid-Coast member and by currently serving on the Shows and Exhibit Committee. Billy indicates it would be his pleasure and desire to serve on the Mid-Coast board, to serve both the breeders and juniors of this association. Billy is retired from insurance and real estate and has been associated with the cattle industry most of his life.

Allen Grainger has been involved with Santa Gertrudis cattle most of his life starting with Mayfair Ranch owned by his grandfather, George Butler. He graduated with a degree in Agriculture from Tarleton State University and managed the purebred Santa Gertrudis herd after college at Mayfair. Since that time, Allen became a pilot at Southwest Airlines and along with his wife and two daughters run 150 purebred Santa Gertrudis and 100 Brazos Composite cattle. Allen is a past SGBI VP of Marketing and Promotions as well as the past director of the National Santa Gertrudis Youth Foundation, and currently serves as a board member and treasurer of the Mid-Coast Santa Gertrudis Association.

Patti Urbanosky-Stem is originally from Plantersville, Texas and grew up heavily involved with her family in raising Santa Gertrudis cattle on the famous Urbanosky Ranch. She is the daughter of Jerome and Jane Urbanosky and the mother to Landon Stem. Patti attended Navasota High School and Blinn Jr. College and is currently the Office Manager for Grimes County Road & Bridge. Patti started showing Santa Gertrudis cattle at the age of 8 years old and was a Jr. Member of the Mid-Coast Association. She was the recipient of the Mid-Coast Scholarship in 1994. She served as the Secretary on the Mid-Coast Jr. Board and as a Director on the National Junior Santa Gertrudis Board of Directors as well as National Santa Gertrudis Queen. She is currently a board member for the Grimes County Farm Bureau and is the Chairman of the Beef Committee for the Grimes County Fair.

Judy Wallace would find it both an honor and pleasure serving you as a director for the Mid-Coast Board. Wife to Scott Wallace and mother to Brett and Brooke Wallace of Wharton, Judy has been involved with Mid-Coast over the past nine years. She has come to love the people, the organization, and the cattle. Judy has assisted with the Mid-Coast Jr. Shows, Cattleman's Opportunity Sales, International Super Sale, Houston Livestock Show and Rodeo Junior Show, Junior Field Day Programs, Mid-Coast Junior Brain Bowl Teams, Silent Auction and T-shirt Sales at Cattleman's Sale, assisted the youth director with Jr. Nationals, served as secretary for SGBI Youth Activities and pretty much anywhere else where her help was needed. She has served as a volunteer for FFA, 4-H, Boy Scouts of America, Girl Scouts of America, VBS, and Walk for Life. Judy has been an educator at Boling I.S.D. for over 14 years, for a total of 20 years teaching experience. She is also Speech and Debate Team Assistant, Debate tournament, UIL Coordinator Assistant, Science UIL and Academic Rodeo Coach. Judy has a passion for educating, growing and encouraging youth to be their best. As a Mid-Coast director, Judy feels that she can make a positive contribution to the organization and help move it forward. She believes that through her involvement and dedication to our organization and those aforementioned, she is equipped to help Mid-Coast continue to grow and lead.

Cattleman's Opportunity Sale 2015

SPONSORED BY

MID-COAST SANTA GERTRUDIS ASSOCIATION

Consignment Letter and Form

Dear Santa Gertrudis Breeder,

The 2015 Cattleman's Opportunity Sale, hosted by the Mid-Coast Santa Gertrudis Association, will be held **Saturday, August 15, 2015, at 11 a.m.** at the Washington County Fairgrounds Sale Facility in Brenham, Texas. The Sale is open to Mid Coast members. If you are not a Mid Coast member, visit our website at www.midcoastsantagertrudis.com for a membership application. This year's sale should be outstanding with a lot of demand for quality females and bulls.

Here are the sale rules and screening standards to assist you in selecting your lots. Please contact Debbie Townsend at (979) 541-4989 or townsendcattle81@gmail.com, or Allen Grainger at (979) 337-4151 or Agrainger@aol.com, with any questions.

1. Pen lots consist of three head or less.
2. All cattle must be registered purebred Santa Gertrudis or Santa Gertrudis Star Five.
3. Females must be between the ages of 9 months through 6 years old (females must not be 7 years old the day of the sale). Fertility – a licensed veterinarian must guarantee all females safe in calf by 26 months of age and to calve before 36 months of age. Females with a calf at side over 6 months of age must be palpated safe in calf by a licensed veterinarian. Females with calf over 9 months of age must be palpated safe in calf in second trimester by licensed veterinarian. Females with a calf under 6 months old may sell exposed or open. Any female 4 years or older must have a record of calving interval.
4. Embryos and flushes, donor cows, and bred recipient cows and semen lots are eligible for the sale.
5. Bulls 15 to 48 months of age will be accepted for consignment. Bulls must be fertility tested and be confirmed a satisfactory breeder within 30 days of the sale by a licensed veterinarian, have a sheath score of three or less and be Trich tested according to Texas Animal Health Commission rules. Bull calf prospects under the age of 15 months will be allowed to sell on the condition that the **seller guarantees the bull calf to be a satisfactory breeder upon reaching breeding age.**
6. Cattle must be sound, functional, and in good flesh. Any cattle falling under the "Disqualifications" section of the SGBI Standards of Excellence will not be allowed to sell.
7. Cattle must have health papers issued within 30 days of sale date. Be sure your veterinarian includes palpation results on these papers. Animals must be eligible for interstate shipment. Check with your vet about brucellosis testing for cows 18 months of age or older. **As always, check with your vet for any additional health requirements.**

Any animal not meeting these requirements will be removed from the sale offering.

The non-refundable consignment fee is **\$100.00 per lot or per pen**. This consignment fee includes \$ 40.00 of prepaid commission. Commission will be 10%.

Hello Juniors,

Many of our junior members have been actively attending shows, workshops, clinics, leadership events, and 4-H and FFA events making for a very busy, yet great and productive summer. I couldn't be more proud of the way y'all are representing the Santa Gertrudis breed and the Mid-Coast Jr. Association. Also, congratulations to all the Mid-Coast exhibitors who participated in Junior Nationals! We have included in this issue the winnings of which we are aware, and will be able to publish all your winnings in the next issue if you let us know any we've missed.

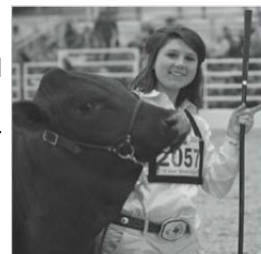

The Mid-Coast Annual Meeting and Cattleman's Opportunity Sale will be held August 14-15, 2015. More information should be featured in the Cattle Rattle and on the Mid-Coast website. There will be a silent auction as a fundraiser. Please bring at least one silent auction item per family. We will be taking the auction items from Friday, August 14th at 5:00 pm through Saturday, August 15th at 10:30 am. The earlier we get them in, the longer they are out for bidders. These items may be brought to the Sales Pavilion at the Washington County Fairgrounds. We are going to need help setting up, taking down, and working the silent auction and the t-shirt booths. We do still have t-shirts available for those of you who didn't purchase one at Jr. Nationals! We will also need help preparing and serving the Hamburger lunch on Saturday. The money earned from the silent auction and hamburger lunch goes

back to our junior program to assist with expenses we have throughout the year. Additionally, if you just want to help with the sale, I'm sure the adults will be happy to put you to work in the back sorting cattle.

The morning of the sale we will be having Donuts and Coffee at 8 A.M. Please make every effort to take part in this opportunity to meet new juniors and fellowship with friends.

If you have any information concerning events in which you participate which you would like to see included in the future editions of the cattle rattle, please email them to me. I want to make sure we are encouraging and keeping up with each other so we can become a closer "gert family"!

I hope to see all of you at the meeting, sale, and the upcoming shows.

Silent Auction Time Juniors!!

Time sure does fly!!! It's fundraiser time for the Junior Program.

The Mid-Coast Santa Gertrudis Association will have our annual meeting on Friday, August 14th at 6:30 p.m. with the Cattleman's Opportunity Sale being held on Saturday, August 15th at 11:00 a.m.

Both events will be held at the Washington County Fairgrounds Sales Facility in Brenham, TX.

During the sale, we will be hosting a silent auction to benefit Mid-Coast Junior Programs and Shows. We need your help with the silent auction items! Items may include anything from baked goods, western art, jewelry to... well, be creative!

We would like silent auction items to be dropped off by 6:00 pm on Friday, August 14th but any junior or junior officer would be glad to take your donation if you can't make it. Just contact one of them!

Thank you in advance for helping make our Junior Program a success!

2015 National Jr. Santa Gertrudis Heifer Show Results

June 21 - June 27, 2015 | Edmonds, OK

The 2015 National Junior Santa Gertrudis Heifer Show was held June 21-27 at the historic Lazy E Arena in Edmond, OK. The sponsors lovingly referred to the event as the "Oklahoma Cattle Battle" with "Red Gerts on Red Dirt". Ira Barrow of Liberty Ranch was the Event Coordinator, and the show was dedicated to Mr. Gary Harding, who has dedicated his life to helping youth and the Santa Gertrudis breed.

We've been told of the Mid-Coast winners on these two pages (if we've got it wrong, please let us know!):
