November 2010

A Message from the President

Dear Mid-Coast Member:

A big thank you to everyone that worked on the Annual Mid-Coast Meeting and the Cattleman's Opportunity Sale that was held during August in Brenham. We were privileged to have SGBI President Elect, Scott Moore in attendance, as well as address our members with the latest updates in the association. Several new breeders purchased cattle and despite the rain deficit, the sale was great.

The Mid-Coast Santa Gertrudis booth was on display at last months' South Texas Farm & Ranch Show in Victoria. Thanks to those that joined me over the two day event - directors Jason Miller, John Justiss, Tanya Bram and Betty McCormick, along with local members—George & Melanie Hood, Donna Tater, and Debbie Townsend. With everyone's support we were able to have the Santa Gertrudis name visible and get magazines into new hands!

While talking about promotion—I would like to welcome John Ford to SGBI. John officially began his duties as SGBI Executive Director November 1st, and is moving full speed ahead as he has taken up the task of a weekly activity e-blast report to the membership.

You'll want to mark your calendars for the historic 60th anniversary affair which is right around the corner. The *2011 SGBI Annual Meeting and International Symposium* is being hosted by the Mid-Coast Affiliate during the Houston Livestock Show & Rodeo, March 3rd—5th at the Crowne Plaza—Medical Center near Reliant Park. The committee is finalizing workshops during the meeting on social media and advocacy, animal photography, international marketing, cooking with beef, as well as sponsoring an international forum. The various socials throughout the three days will also offer an international flair! You will not want to be left out, so reserve your hotel rooms and send in your registration form now!

Also planned during the Annual Meeting is "**The 2011 International Super Sale**". If you have not selected your top notch animals it is time to head out to the pens or pasture and pull a few up, as the nomination forms are due by January 1st. The all haltered cattle sale will be held Friday, March 4th at 5 PM in the **Houston Livestock Show & Rodeo Reliant Center**, (the same location as the stalling of open show cattle) and is being Co-Sponsored by SGBI. Prior to the sale, a "Fiesta" will begin at 3:30 pm in the aisles. Sale Chairman, Jerome Urbanosky is working hard to make this legendary sale even better than before! Nomination rules and a consignment form are enclosed in this issue or may be downloaded from our website: www.midcoastsantagertrudis.com or by contacting Jerome.

There are so many upcoming events and opportunities for you to share your Santa Gertrudis story—take advantage!

Stay involved and together we'll move forward!

Regards,

Cheryl Grainger

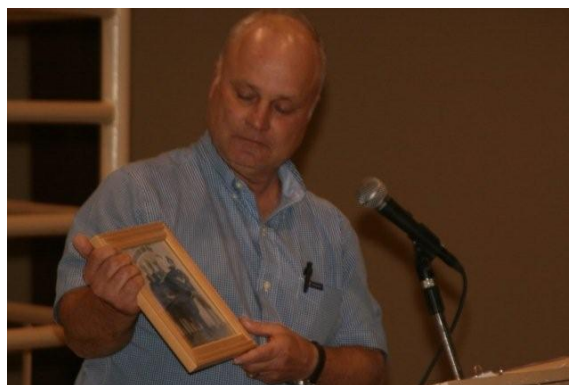

2010 Mid-Coast Annual Meeting

The Mid-Coast Affiliate Annual Meeting was held at the Washington County Fairgrounds Sales Facility in Brenham, Texas on Friday, August 20th, 2010. A tailgate party social began the festivities at 5:00 pm with snacks and drinks. The annual meeting and BBQ dinner was held in conjunction with the Cattleman's Opportunity Sale. The junior members also held a silent auction to raise money for their various activities.

Santa Gertrudis Breeders International (SGBI) President Elect, Scott Moore, updated those present on the SGBI Executive Director search, as well as agendas for the year. Mid-Coast Jr. President, Lauren Grainger announced the many junior accomplishments throughout the past year along with their plans for future membership activities. Tucker Blair, Mid-Coast Director recognized the graduating seniors Jamie Stephenson, Jordan Symon, Tana Townsend and Matthew Longron who were previously awarded scholarships. Mid-Coast Director Jerome Urbanosky honored retiring board members Tucker Blair and Dan Pohl with plaques for their service to the affiliate and the board. Jerome humorously recounted his history in the Santa Gertrudis breed prior to honoring Wendt Ranch, Dan & Jane Wendt as the Mid-Coast Breeder of the Year, for their dedication in promoting and supporting Mid-Coast and the Santa Gertrudis Breed.

Elected to serve for three years as incoming Directors were Betty McCormick, Kelly Vesper, Boone Smith and Gerald Pate.

Following the adjournment of the meeting, the new board met to elect officers for the 2010—2011 term with the following results: Cheryll Grainger – President; Jerome Urbanosky – Vice President; Jason Miller – Secretary; and Christy Fuchs Moran – Treasurer.

Breeder of the Year
Dan & Jane Wendt,
Wendt Ranch

Dan and Jane Wendt, Herd #621, were named 2010 Mid-Coast Breeders of the Year. This accomplishment has been generations in the making. Dan started breeding cattle with his father, R.A. Wendt, in 1953. Dan and his father initially bred F-1 crosses using Hereford and Brahmin cattle, and bred their offspring to Shorthorn cattle. Upon going to the King Ranch in 1954 and seeing Santa Gertrudis live, Dan and Jane decided that their goal would be to raise purebred Santa Gertrudis cattle backed by performance records. Dan and Jane owe much of their success to hard work and diligently keeping performance records. Such performance has been witnessed around the world. Their brand can be seen extensively throughout the United States, as well as in South Africa, Namibia, Morocco, Australia, Brazil, Paraguay, Honduras, Mexico, Canada, and Russia. Dan and Jane have spent much time abroad speaking with other breeders and witnessing how well their cattle perform in highly varied conditions.

Their passion for cattle has extended on to their family as both daughter's, Dr. Nancy Kubecka and Dr. Kathy Wendt, showed cattle growing up. Dr. Nancy Kubecka and her husband, Gene Kubecka, have been an active part of the breed since the 1980s, and their children, Daniel and Jenna Kubecka, have an active interest in furthering their family's legacy in Santa Gertrudis.

Dan and Jane have also given back to the breed extensively. Both have served many board terms and on numerous committees. Dan is especially passionate about work done on the Breed Improvement and Standards of Excellence front, in addition to generously giving back to the youth program. Dan Wendt served as President of Santa Gertrudis Breeders International from 1987 to 1989. Jane Wendt served from 2007 to 2009. She was the first woman ever elected to serve as President of the Santa Gertrudis Breeders International organization, making them the first couple to both serve as President of the Breed. Dan lovingly joked while Jane was in office, "I'm just the first man."

In The News . . .

(L to R—Robbie Peterson, Vice President of Keep Waller County Beautiful / Mrs. Waller County and Rosemary Gambino)

The State of Texas Alliance for Recycling Board of Directors and Membership awarded Rosemary Gambino "Volunteer of the Year" at their annual convention in San Antonio, TX on October 5, 2010. Gambino is the President of Keep Waller County Beautiful and resides in Pattison, Texas at Rose Hill Ranch.

She was instrumental in establishing the Waller County Recycling Center with two grants from the Houston-Galveston Area Council. Gambino said, "We cattle ranchers are naturally friends of the environment and stewards of the land. At our ranch we recycle all of our building materials and plant trees. We fertilize with cow manure and participate in USDA program with the Natural Resources and Conservation Service to protect a riparian area along two creeks. I wanted to figure out what to do with our household waste. Now we have a recycling center in Waller County where we can take our aluminum cans, plastic bottles, cardboard, paper, glass and steel cans.

Jaxson "Rhett" Harrington, son of Cole Harrington and Cristi Urbanosky Harrington, was born on Monday, October 18, 2010. At birth, Rhett weighed 6 lbs and 9 ounces and was 20 inches in length. Rhett was welcomed home by big sister, Demi, and proud grandparents, Jerome and Jane Urbanosky, owners of Urbanosky Ranch.

We are pleased to announce the engagement and approaching marriage of Candice J McCormick and Cody James Leger. Candice is the daughter of Ricky and Betty McCormick of Sealy, Texas and Cody is the son of Kenneth and Patty Leger, also of Sealy, Texas.

Candice is a former member of Mid-Coast and South Texas Juniors. Cody is enlisted in the United States Army and is a member of the 82nd Airborne stationed in Ft. Bragg, North Carolina.

The wedding is scheduled for December 23, 2010 at Victory of the Lamb Lutheran Church in Katy, TX. Following the wedding, Candice and Cody will reside in Fayetteville, North Carolina.

Malcolm Boone Smith, son of A.J. & Rosemary Gambino of Pattison, Texas and Kimberly Michelle Pittman, daughter of Billy & Elaine Pittman of Athens, Georgia proudly announced their engagement on October 22, 2010.

Boone, a former Mid-Coast Junior member, recently finished a six year enlistment in the United States Navy, and is currently attending Houston Baptist University, majoring in English. He is a Mid-Coast Santa Gertrudis Association board member and is looking forward to serving as the Youth Advisor.

Kimberly, a 2005 graduate of the University of Georgia, is currently teaching fifth grade at Calvary Episcopal School in Rosenberg, Texas.

Boone and Kimberly are planning a December wedding and will reside in Pattison, Texas.

From the desk of . . .

John Ford, SGBI Executive Director

Day one on a new job can be stressful and a little worrisome. However, when I opened the mail, that was neatly stacked on my desk, any reservations I had about starting a new job quickly vanished. The first letter read was on Mid-Coast Santa Gertrudis letterhead and came from your president Cheryll Grainger. She kindly welcomed me to the SGBI family, on behalf of the Mid-Coast Affiliate, and provided a list of affiliate planned activities including the dates that they are to be held. However, it was the tone of the letter that I found so exciting. It was obvious that Cheryll takes great pride in the Mid-Coast Affiliate and the membership is an enthusiastic group that is passionate about promoting Santa Gertrudis. I hope that my schedule will allow me to visit the Mid-Coast Affiliate in the very near future. Thank you for the kind welcome.

As would be expected I am trying to familiarize myself with the day to day workings of the office. However, I have had the opportunity to visit Foreign Marketing Committee Chairman Robert Silva and discuss strategies for marketing Santa Gertrudis genetics in Mexico. It was a timely visit since the next day Dr. Poncho Ortega, Texas A&M Kingsville, Professor of Range Science, called and expressed an interest in partnering with SGBI on the development of a grazing management and heifer selection field day targeting Mexican cattlemen. This type of collaboration has great potential and I am looking forward to discussing this activity with our Marketing and Promotions Committees. I remain convinced that there are unlimited opportunities for marketing Santa Gertrudis genetics in Mexico.

Of course there are many opportunities here as well. Please read my column in the December issue of Santa Gertrudis USA. In it I share data on breed influence that I and Dr. Joe Paschal collected approximately 15 years ago. It supports what we know...Santa Gertrudis combine all the traits needed for performance and profitability. Thanks.

-John-

Attention Junior Members!!!

For those new to us, each year we put together a photo album of the events and activities that the Mid Coast Junior Affiliate and its members have been involved in throughout the year. The pictures may be anything you, the junior member, have done this past year such as: 4-H or FFA projects, leadership activities, school activities, community service, livestock shows, etc... If you are placed in your local paper for achievements, I would love for you to send clippings of that too! There are two ways to get things to me: by email: bwgottagert@yahoo.com

OR

by snail mail: **Brooke Wallace * 4502 CR 154 * Wharton, Tx. 77488.**

My goal for our affiliate is to take first place with our photo album/scrapbook at Junior Nationals in June. Should you send photos, list who is in the photo and what the event is as I like to put captions under the photos.

Thanks—Brooke

With the National Jr. Heifer Show and State Fair in our rear view mirror, it is time to take a breath and start thinking about the majors. As a reminder to all juniors, the Fort Worth and San Antonio Livestock Shows will be held January 23rd and February 7th, respectively. Following will be the Houston Livestock Show's Junior Santa Gertrudis Heifer Show on March 19th. Remember, all junior show entries for Houston must be submitted no later than December 15th. As always, we look forward to hosting a memorable 2011 Houston Santa Gertrudis Junior Show. To do so, our juniors are working hard ordering belt buckle awards for Houston, and we welcome and appreciate support from our Mid-Coast buckle donors. If you would like to donate a buckle to the junior program, there is still time. Please contact myself or Mid-Coast Junior President Lauren Grainger for details.

Looking further down the road, our 2011 Mid-Coast Junior Show will take place in Navasota, TX. We are tentatively looking at the weekend of April 23rd, so check your schedules and please let me know if there are any major conflicts. My contact information is cell phone: 832-721-8535 or email: mboone.smith@gmail.com. Thank you for your participation. We look forward to a great 2011 show season!
